

# How to add Facebook videos to WordPress carousel

Posted on [September 18, 2016](#)

## Product:

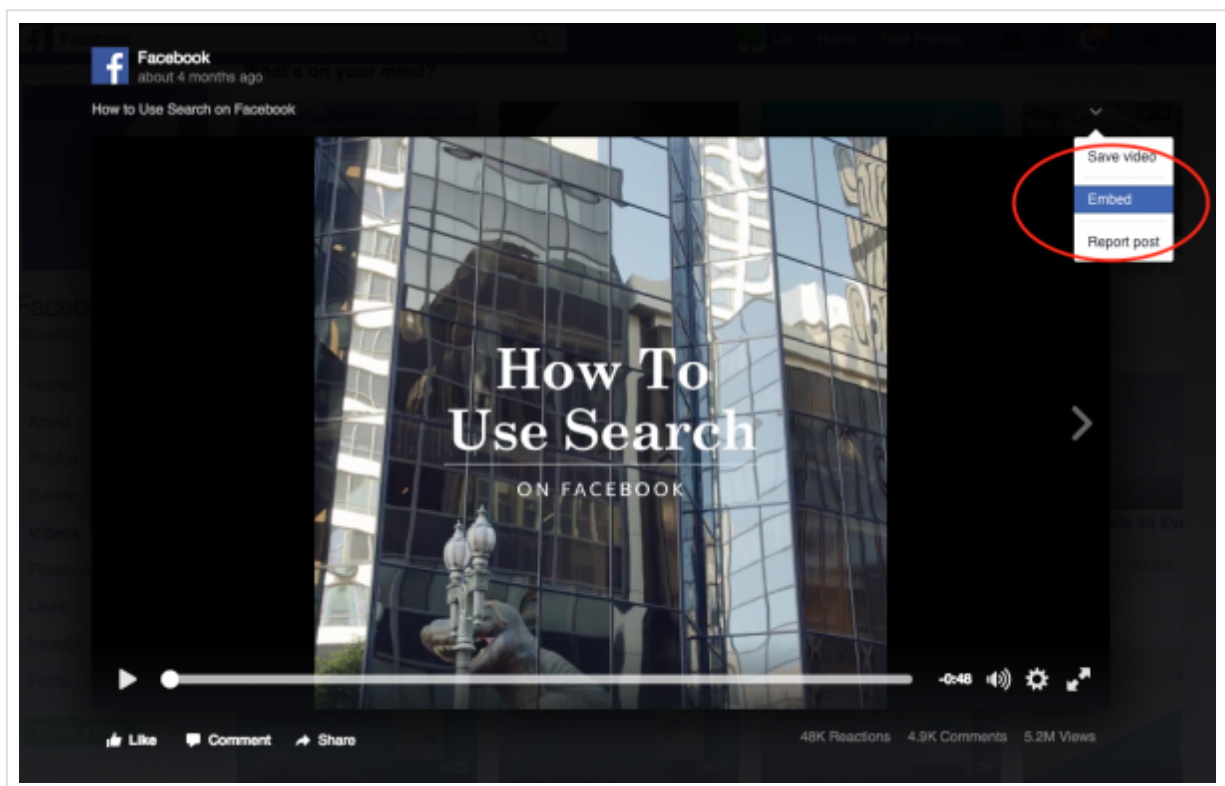

[WonderPlugin Carousel](#)

## Tutorial:

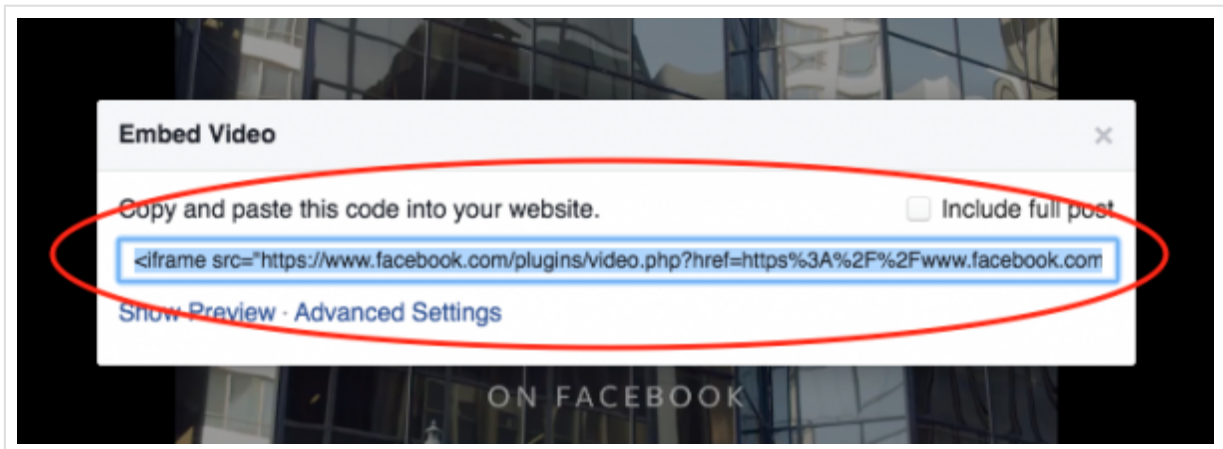

This tutorial will guide you how to add Facebook videos to a WordPress carousel slider created with [WonderPlugin Carousel](#) plugin.

### Step 1 - Get the Facebook video embed src

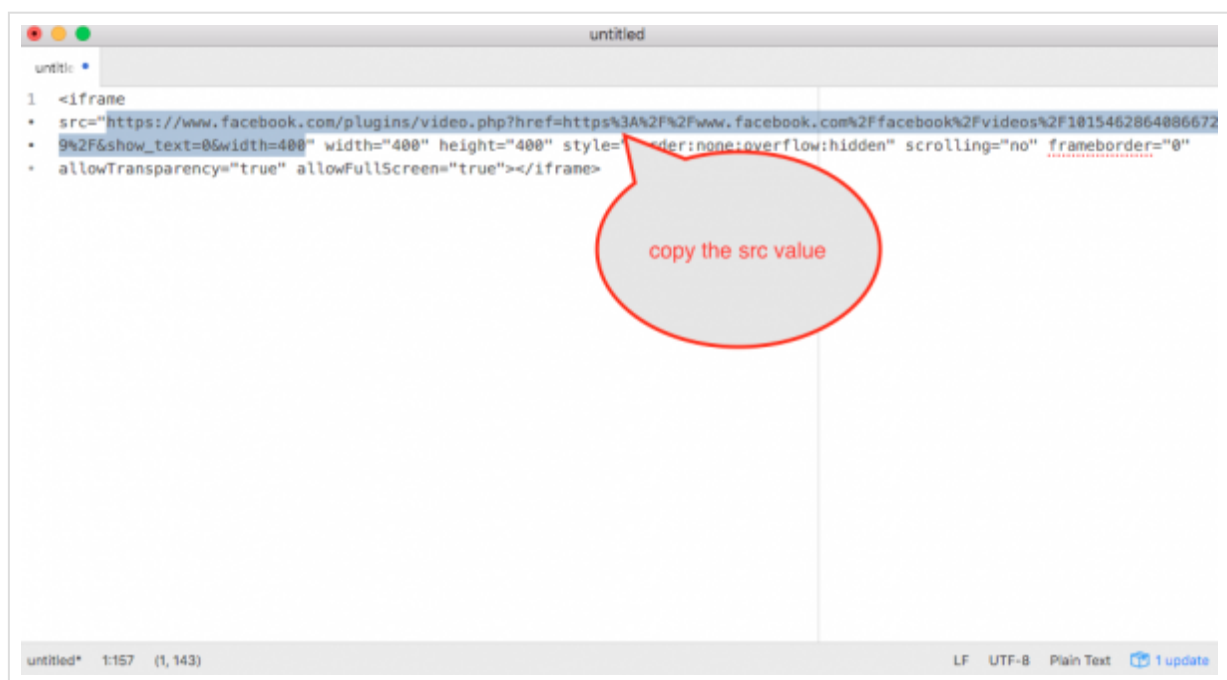

1. Click the down arrow on the top right of the Facebook video, then choose Embed from the drop down menu list.

2. Copy the code in the Embed dialog.

3. Paste the code to a text editor and copy the value of the src attribute.

## Step 2 - Add the Facebook video to the WordPress carousel

1. In WonderPlugin Carousel plugin, step 1 Images & Videos dialog, click the Add Image button.

2. In the Add Image dialog, for the input box "Enter image URL", select an image to display in the carousel slider.

3. Un-check the option "Open current image in Lightbox", paste the Facebook video src to the input box "click to open web link", and check the option "Open web link in Lightbox".

### Add image

**Enter image URL**  or

**Thumbnail URL**  or   
 Use thumbnail in carousel

**Title**

**Description**

**Click to open Lightbox popup**  Open current image in Lightbox

**Lightbox size**  Set Lightbox size (px)  /

**Or click to open web link**   
Uncheck the option "Open current image in Lightbox" to enable weblink

**Set web link onclick code**

**Set web link target**   
 Open web link in Lightbox
